

New Lower Price. Brand new 4 bedroom house in a great gated community located only a 3-minute drive from the center of Antigua.
 This new 2-level house has a garage for two cars, and a 1 bedroom/bath (plus guest bathroom) on the first floor as well as an open floor plan living room (with fireplace), dining room, and large kitchen with modern details. On the second level, it has 2 large bedrooms, each with its own bathroom plus the master bedroom with views, a large bathroom, and a walk-in closet. On the third level, you can find a large terrace with a pergola and views of the volcanoes. The structure of the house is definitely colonial but at the same time has many contemporary details that make modern living much more comfortable. Don't miss the opportunity to see this one-of-a-kind home. Contact Marian Wilson for more information.
