

4, Call for details, En route to San Antonio, San Antonio Palopo, 07011, LAKE ATITLAN AREA, Solola

Without a doubt, this is one of the most spectacular properties on Lake Atitlan, located in one of the most exclusive areas.

This luxurious three bedroom vacation estate is situated behind a large infinity-edge swimming pool and jacuzzi with awe-inspiring views over the entire lake, surrounding volcanoes and forested hillsides. This home is truly a masterpiece, designed with architectural elements from Bali, India as well as Guatemala. Each room in the house was designed with great care to maximize the expansive views. Sliding pocket doors, which are hidden away in the walls of the house create a seamless indoor - outdoor living environment to take advantage of the year-round temperate climate. The upstairs bedrooms, each with ensuite bathroom and patio, incredibly landscaped outdoor walkways, large gardens, and attention to detail puts this vacation home or rental in a league of its own.
