

El Hato, ANTIGUA AREA, Sacatepéquez

This is a great opportunity to acquire a fantastic piece of land very close to ecological developments and

This 2,075.28 m2 lot has vehicular access and a very slight incline. The land is located in the Aldea Colorada in el Hato and the water and electricity services pass in front of the land and you would have to request the service from the corresponding entity. Additionally, the land has its due registration in the property registry. Ask for Mónica Girón for more information.
