A private piece of paradise. Two architecturally designed houses plus a guest house located on six acres of lakefront land. Half an acre of award-winning coffee plantation. A definite must see!

This gorgeous, unique lakefront property is one of the most secluded on the lake with amazing views of the San Pedro Volcano. Two well-constructed houses plus a caretaker's house located on six acres of forested, lakefront land. This property offers lake and road access. The artistic design of these houses, which perfectly melds with its natural environment will surely captivate those with creative souls. Liberal use of hardwood as well as tasteful ceramic tile throughout. Two fireplaces, two spacious balconies, one in front of the master bedroom, which creates a true indoor/outdoor living experience.
