

San Juan Gascón, 03001, ANTIGUA AREA, Sacatepequez

This is probably one of the most interesting properties we have had for sale in quite some time. San Juan Gascon is a small village, on the edge of Antigua, and just 5 minutes to downtown.

It is best described as very quaint and tranquil. The attached photos can best describe the features of the home, and is certainly worth looking at if you want something special.
